

**2018 REQUEST FOR INFORMATION
FOR
RESIDENTIAL CONTRACTORS & SUB-CONTRACTORS**

In 2018 Near North Community Development Corporation (“NNDC”) will continue its mission of improving housing opportunities in portions of the Crown Hill and Butler Tarkington neighborhoods. NNDC is currently seeking qualified general contractors and sub-contractors to provide construction, rehabilitation, and/or repair services for NNDC’s ongoing residential programs. NNDC will be accepting this information on an ongoing basis so please complete and return one (1) hard copy of the following information and requested documentation to:

Kevin Senninger, Project Manager
Near North Development Corporation
1630 N. Meridian Street, Suite 1110
Indianapolis, IN 46202
(317) 746-9061
kevin@nearnorthdevelopment.org

Please note that submission of this information will be added to a database NNDC is currently updating for residential work in 2018, and will be updated on an annual basis. Inclusion in this database does not imply a guarantee for future work with NNDC, but simply includes your information on a list of other contractors. NNDC will contact you for additional information if needed, and notify you of potential bid/work opportunities as they become available.

To learn more about licensing requirements for contractors wishing to do work in the city of Indianapolis please visit the DMD Department of Neighborhood Services’ website at:
